VP Cub

The VP Cub: High resolution embossing at the lowest price

- The ViewPlus Cub utilizes proven ViewPlus technology to emboss Braille and High Resolution Tactile Graphics with variable dot heights
- Provides input for both endless tractor fed and single cut sheet paper up to A4 or letter size
- Is lightweight and compact
- Provides easy connectivity and setup

The **Braille dot** produced by ViewPlus embossers can be **adjusted in height**, allowing to adjust to the individual sensibility of the reader's finger tip. This makes **extended Braille reading** more enjoyable while maintaining **unsurpassed detail** in producing **tactile graphics**. The unique shape of the ViewPlus dot is proven to make Braille more durable, thus allowing **documents to last longer over time**.

ViewPlus solutions include **Windows printer drivers** that will allow embossing directly from Windows programs, utilizing the **same process as printing to main stream color printers**.
What you see on the screen is what the VP Cub will print, **representing the color spectrum from white to black in 7 different heights of the embossed dots**.

The **ViewPlus Cub** is the lowest priced solution to **combine Braille with high quality tactile graphics**. Its ease of use, light weight and compact desktop size makes it the **ideal companion for teachers or students who emphasize on learning through tactile graphics**, but don't need color overprints.

Though VP embossers are compatible with other Braille translation software, like Duxbury, and RTFC, ViewPlus also offers the **VP Tiger Software Suite (VP TSS)** for Braille translation, tactile graphics design and more. TSS allows the user to create Braille documents in standard Windows programs such as MS Word and Excel without needing to know Braille.

Specifications:

Print Speed: Up to 50 CPS

Printing Mode: Single sided

Tactile Resolution: 20 DPI

Tactile Graphic Dot Heights:
7 steps for color representation

Braille Dot Heights:
Adjustable in 3 heights

Paper Width: 4 - 8.5 in
(101 - 216 mm)

Paper: Continuous,
Single Sheet Feeder

Paper Weight: 30 - 140 lb
(50 - 230 gsm)

Connection: USB (1.1, 2.0)

Compatibility: Windows 7, 8, 8.1 and 10

Height: 5.75 in (146 mm)
Width: 17 in (432 mm)
Depth: 13.5 in (343 mm)
Weight: 17.5 lbs (7,95 kg)

Recommended Temperature:
41 - 95 ℉ (5 - 35 ℃)

Storage Temperature:
-4 - 158 ℉ (-20 - 70 ℃)

Humidity: 20 - 80% RH
(non-condensing)

Energy Supply:
100 - 120 V, 220 – 240 V
50/60 Hz (+/- 3%)

Standby: 10 W
Heavy Embossing: 85 W
